

Pondage-Wide Directions

- Maintain the vegetation along the shoreline to maximise views from walking paths and access for fishing
- Increase indigenous tree planting throughout
- Install information and directional signage as required, and interpretive signage at locations of historical significance or of educational value (environmental, flora, fauna)
- Install occasional bench seating along all paths throughout the Eildon Pondage precinct
- Floating pontoons and fixed platforms to be accessible, and include solar lighting and 1 - 2 bench seats with backs

Lions Park and Recreation Reserve

- 19 Resurface the tennis courts, and replace the fencing around the southern bank of courts
- 20 New pump track
- 21 Install a floating pontoon
