

Infrastructure

Community solar battery using solar from the Recreation Reserve, men shed op shop etc.
Emergency housing
Retirement village
Upgrade to be a commercial kitchen (at the hall)
Horse tie rails at the hall
Eco-villages
Improve facilities behind the pub - Moore's Road
Build a BBQ / resting spot along creek
Improve Internet (Advocacy group)
Advocacy group for an actual library rather than a mobile library. (Incl suggestion to have it at the community centre, also reminder that have one at the House)

Safe and Accessible Travel

Paid driver for community bus to pick up and drop people around Flowerdale, or for trips to nearby towns
Primary school road and car park upgrade. One way?
Public transport (could include ride-share network)
Concave safety mirror on bends. Make the road safer in general
Community bus - opportunities to rent it

Health and Wellbeing

"Borrow a Generator" program
Access to local supply of fresh food and produce - prevent the need to drive long periods to buy meat and veg
BMX mountain bike track designed for older kids
Connection with older, vulnerable people who might be isolated (NB - see FCH - more ideas welcome)
Described bike-ride with info along creek
Gym equipment along the bike track
Men's Shed more of a resource for wider community - they are waiting to be asked to help out
More sport and social activities at the Recreation Reserve
Natural health options ie alternative medicine/therapy
Noticeboards at the Flowerdale store (need to be updated)
Outdoor heated pool (at cricket nets?)
Running group and or community fun run
Gym in community
Trivia nights (pub or elsewhere)
Basketball - move op shop so court can be used for camps/comps But there is also love for the op-shop. Is there another space? Or share?
Revitalise the event that was held on Australia Day - a fun day of celebration, whether it be connected to Australia Day or not.
Opportunities to engage with new residents when they move in
Community health centre
Football goals on the cricket oval

Art and Culture

Kids art at the bus-stops
Flowerdale Artist Society
Community Mural
Aboriginal history - recognise, share the stories, learn
Arts-related workshops
Community gallery or shop for local artists. (eg at old op shop/hairdresser)

Thriving Economy

Op shop becomes a barista training space selling coffee
Rainbow trout statue at town entry (or perch) (Comment to not use introduced species for statue)
Land for additional houses and business for small increase in population including small houses
Fishing brings people but do they spend money? After January floods it is like fishing a different river.
Community groups liaise more with business to help avoid clashes
Regenerative agriculture and agro-forestry services
Technology services
Access to a commercial kitchen for small businesses

Environment and Sustainability

'Clean Up Australia day' action or group
Community energy group like 2030Yea
Community nursery
Road kill - a project to minimise
Keep/use our own rubbish - recycle and reuse
Hard rubbish group (volunteer-run collection not Council)
Advocacy group: Working towards a Council hard rubbish collection a couple of times of year. It would stop rubbish being dumped at the side of the road.

A Great Place to Grow Up

Early childhood day-care
Mothers group/ parents group / baby play
Turn skate-ramps into a playground
